

JOB OPENING: General Laborer/Electrician's Helper

Bodart Electric Service, Inc. invites applications for the position of **General Laborer/Electrician's Helper**.

Major Responsibilities include the ability to perform manual labor, including lifting up to 50 lbs; knowledgeable use of power tools; must follow instructions; and be able to work long hours (up to 70 hours a week Monday thru Friday, during peak season). A commercial driver's license is not required upon hiring, but you must apply for a CDL learner's permit within one month of hiring. Must obtain registered Electrician card to meet government regulations. Experience in road construction and experience using construction equipment is a plus.

Qualifications: High school diploma or equivalent, clean driving record, experience in the electrical field, or in road construction is preferred. Must maintain a "registered Electrician" certificate as required by the state of Wisconsin.

The Company: Bodart Electric Service, Inc. is a small, family-owned electrical contracting business located in De Pere, WI.

Salary: \$18 per hour starting base pay, based on experience. Pay on "white sheet" projects ranges from \$35 to \$50 per hour. Benefits including paid holidays, vacation and health insurance available (most benefits start six months after hire date)

Expected Start Date: Immediately

Application Deadline: Ongoing

Please submit resumes and three professional references to:
